Damanhur is a collective dream transformed into reality thanks to the creative power of positive thought. Awarded by the United Nations as a model for a sustainable future, Damanhur is an eco-society based upon ethical and spiritual values. Damanhur promotes a culture of peace and balanced development through solidarity, voluntary work, respect for the environment, art and social and political commitment.

Serenity Lakes is honored and delighted to have these two most beautiful souls come to the center for this most incredible experience.

*A labyrinth connects to the energy grids of the earth, the cosmos, and yourself for meditation, self-healing, group experiences, or receiving inner guidance? Here's your chance to have your dream, hope, intention or to honor someone special become part of this amazing labyrinth.

*The labyrinth is a powerful tool for personal transformation, as well as a sacred circle for group process. In addition to being a beautiful work of art, the labyrinth is an interactive art form that sparks the creative imagination within us.

* The vision of this Damanhur-style Labyrinth is to activate the transformation of the human spirit, walking the Labyrinth is a personal practice for healing and will be on the property for all to experience and use.
